Benefits for Members With Diabetes

Dear Healthy U member:

If you (or a family member who has Healthy U) have diabetes, this packet will help you stay healthy.

You should have 4 tests from your doctor each year:

- **Hemoglobin A1c** – to test your average blood sugar level
- **Lipid** – to test the amount of fat in your blood
- **Microalbumin** – to test your kidneys
- **Eye exam** – to test for eye problems caused by diabetes

If you do not have a doctor, please call us at **(801) 587-6480** or **1-800-271-5870, option 2**. We can help you find a doctor. Or browse the list of doctors in your Healthy U handbook.

If you have questions about Healthy U or this packet, please call us at **(801) 587-6480** or **1-800-271-5870, option 2**. Si tiene preguntas acerca de Healthy U o esta carta y información en español, por favor llámenos al **(801) 587-6480** o **1-888-271-5870, opción 2**.
