Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<p><b>\$750</b> Individual  <b>\$1,500</b> Family of 2 or more</p> <p>*Does not apply to preventive care or the first \$1,000 of accidental injury expenses.</p>	You must pay all the costs up to the <b><u>deductible</u></b> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <b><u>deductible</u></b> starts over. See the chart starting on page 2 for how much you pay for covered services after you meet the <b><u>deductible</u></b> . <b><u>Copayments</u></b> are not applied to the deductible.
Are there services covered before you meet your <a href="#">deductible</a> ?	<b>Yes</b> , preventive services are not subject to your <b><u>deductible</u></b> when using an <b><u>in-network provider</u></b> .	Preventive services are covered at 100% when using an in-network provider. Check your policy or plan document for specific provider and prescription drug <b><u>copayments</u></b> .
Are there other <a href="#">deductibles</a> for specific services?	<b>No</b>	You must pay all of the costs for these services up to the specific <b><u>deductible</u></b> amount before this plan begins to pay for these services
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<p><b>\$4,000</b> Individual  <b>\$8,000</b> Family of 2 or more</p>	The <b><u>out-of-pocket limit</u></b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges and health care this plan doesn't cover.	Even though you pay for these expenses, they don't count toward the <b><u>out-of-pocket limit</u></b> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. For a list of in-network providers visit <a href="http://www.uhealthplan.utah.edu/aruplabs">www.uhealthplan.utah.edu/aruplabs</a> or call 1-888-271-5870.	If you use an in-network doctor or other health care <b><u>provider</u></b> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <b><u>provider</u></b> for some services. Plans use the term in-network, <b><u>preferred</u></b> , or participation for <b><u>providers</u></b> in their <b><u>network</u></b> . See the chart starting on page 2 for how this plan pays different kinds of <b><u>providers</u></b> .
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <b><u>specialist</u></b> you choose without permission from this plan.

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
