Important Questions	Answers	Why This Matters:
What is the overall deductible ?	<p>\$750 Individual \$1,500 Family of 2 or more</p> <p>*Does not apply to preventive care or the first \$1,000 of accidental injury expenses.</p>	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <u>deductible</u> starts over. See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> . <u>Copayments</u> are not applied to the deductible.
Are there services covered before you meet your deductible ?	Yes , preventive services are not subject to your <u>deductible</u> when using an <u>in-network provider</u> .	Preventive services are covered at 100% when using an in-network provider. Check your policy or plan document for specific provider and prescription drug <u>copayments</u> .
Are there other deductibles for specific services?	No	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this plan begins to pay for these services
What is the out-of-pocket limit for this plan ?	<p>\$4,000 Individual \$8,000 Family of 2 or more</p>	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit ?	Premiums, out-of-network charges, balance-billed charges and health care this plan doesn't cover.	Even though you pay for these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider ?	Yes. For a list of in-network providers visit www.uhealthplan.utah.edu/aruplabs or call 1-833-981-0213	If you use an in-network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <u>provider</u> for some services. Plans use the term in-network, <u>preferred</u> , or participation for <u>providers</u> in their <u>network</u> . See the chart starting on page 2 for how this plan pays different kinds of <u>providers</u> .
Do you need a referral to see a specialist ?	No.	You can see the <u>specialist</u> you choose without permission from this plan.

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
