Members of our community should never feel they must face a mental health challenge alone. University of Utah Health Plans and UNI have teamed up to provide crisis response programs that aim to provide immediate behavioral therapy access. From a fast-acting Mobile Crisis Outreach Team to The Warm Line, which offers a compassionate voice on the other end of the line, U of U Health Plans members have access to a safety net when they need it most.

FOR ANY MENTAL HEALTH CRISIS:
UNI CrisisLine – 801.213.0816
• Licensed clinicians provide services 24/7
• Crisis intervention & suicide prevention
