Read Your Policy Carefully – This outline of coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and University of Utah Health Plans (UUHP). It is, therefore, important that you READ YOUR POLICY CAREFULLY!

Comprehensive Medical Coverage – This coverage is designed to provide, to persons insured, comprehensive coverage for major hospital, medical and surgical expenses incurred as a result of a covered accident or sickness. Coverage is provided for daily hospital room and board, miscellaneous hospital services, surgical services, anesthesia services, in-hospital medical services, and out-of-hospital care, subject to any deductibles, copayment provisions, or other limitations that may be set forth in the policy.

Notice – This Plan does not include pediatric dental services as required under the Federal Patient Protection and Affordable Care Act. Coverage for pediatric dental services is available for purchase on a standalone basis through the Health Insurance Marketplace. Please contact the Health Insurance Marketplace to purchase the required pediatric dental services.
