WELCOME TO HEALTHY PREMIER

This directory lists the providers in the Healthy Premier network.

Choosing Your Doctor:
A Primary Care Physician (PCP) is a doctor you see for most of your medical care. Healthy Premier PCPs are listed in the front of this handbook. You do not have to pick a PCP; but we think you should, because a PCP will:
- See you for routine check-ups.
- Treat you when you are sick or injured.
- Refer you to a specialist (if needed).
- Approve all non-emergency hospital stays.
- Be your contact if you need care after office hours (except emergencies).

Choose a PCP from the list of providers in this directory. These are the kinds of doctors who are PCPs:
- Family or General Practice (for all ages).
- Internal Medicine (for adults).
- Pediatrician (for children).
- Obstetrics and Gynecology (OB/GYN – for women). You may also choose a Certified Nurse Midwife (CNM) if you are having a baby.

You may select one PCP for your whole family or a different PCP for every family member with Healthy Premier as their health plan. If you have a special health need, you may be able to choose a specialist as your PCP. A Case Manager will work with you to choose a specialist as your PCP. Our Case Managers are Registered Nurses. They will work with you and your doctor(s) to make sure you get the care you need.

Remember: Go to the emergency room if you have a serious medical problem that cannot wait more than 24 hours. Do not go to the emergency room, though, for routine medical care. If you think your medical problem might be an emergency, call 911 or go to any hospital emergency room.

For questions about your medical benefits, please call Member Services at 1-888-271-5870.

Important Notice:
All services must be received from Healthy Premier contracted providers at facilities participating with Healthy Premier. The only exceptions to this rule are Emergency Rooms and Urgent Care Centers. As directories are subject to change, you are encouraged to make sure your doctor is still contracted and accepting new patients by calling the doctor's office.

Healthy Premier has translators for any language. Please call member services at 1-888-271-5870.

If you have diabetes, heart disease, arthritis or any other chronic condition, Healthy Premier has a Care Manager ready to assist you to make sure you get the care that you need. Give our Care Management department a call at 801-587-6480, option 2.
BIENVENIDOS A
HEALTHY PREMIER

Este directorio incluye a los proveedores en la red de Healthy Premier.

Escogiendo a Su Doctor:
Un Médico de Atención Primaria (PCP) es un doctor al que usted ve en la mayoría de sus atenciones médicas. Los PCP de Healthy Premier aparecen en la parte de atrás de este manual. No tiene que escoger a un PCP, pero creemos que debería. Un PCP realizará lo siguiente:
- Lo verá para chequeos de rutina.
- Lo atenderá cuando esté enfermo o lesionado.
- Lo referirá a un especialista (de ser necesario).
- Aprobará todas las hospitalizaciones que no sean de emergencia.
- Será su contacto si necesita que lo atiendan fuera del horario del consultorio (excepto las emergencias).

Escoja a un PCP de la lista de proveedores que aparece en este manual. Estas son las clases de doctores que son PCP:
- Práctica Familiar (para todas las edades).
- Medicina Interna (para adultos).
- Pediatría (para niños).
- Obstetricia y Ginecología (OB/GYN – para mujeres). También puede escoger una Enfermera Obstétrica Certificada (CNM) si va a tener un bebé.

Puede escoger a un PCP para toda su familia, o un PCP diferente para cada miembro de la familia que tiene Healthy Premier como su plan de salud. Si tiene una necesidad especial de salud, puede escoger a un especialista como su PCP. Un Administrador de Caso trabajará con usted para escoger a un especialista como su PCP. Nuestros Administradores de Caso son Enfermeras Registradas. Ellas tratarán con usted y su doctor(es) para asegurarse de que usted reciba la atención que necesita.

Recuerde: Vaya a la sala de emergencias si tiene un problema médico serio que no puede esperar más de 24 horas. No vaya a la sala de emergencia si se trata de una atención médica de rutina. Si usted piensa que su problema médico puede ser una emergencia, llame al 911 o vaya a la sala de emergencia de cualquier hospital. Trate de utilizar una de las salas de emergencia de los hospitales que aparecen en este directorio.

Si tiene preguntas respecto de sus beneficios médicos, llame a los Servicios para Miembros al 1-888-271-5870.
