

# OVER THE COUNTER (OTC) TESTING GUIDANCE

## Are at-home OTC COVID-19 tests covered by Medicaid?

Yes, with a prescription, Healthy U covers FDA-authorized at-home OTC COVID-19 tests, or home collection test kits.

## Where and how can a Healthy U Medicaid member get an at-home OTC COVID-19 test or home collection kit?

At-home OTC COVID-19 tests or home collection kits are available at network pharmacies.

They require a prescription from a network provider

## Is there a limit to the number of at-home OTC tests I can receive?

There is no quantity limit on the number of at-home OTC COVID-19 tests, or home collection test kits a Healthy U Medicaid member can receive per month with a prescription.

## Will there be a copay for COVID-19 at-home OTC tests?

No, there is no copay for Healthy U Medicaid members
