WELCOME TO HEALTHY PREFERRED

This directory lists the providers in the Healthy Preferred network. You will have the lowest out-of-pocket cost when you receive services from these providers.

Choosing Your Doctor:
A Primary Care Physician (PCP) is a doctor you see for most of your medical care. Healthy Preferred PCPs are listed in the front of this handbook. You do not have to pick a PCP, but we think you should. A PCP will:
- See you for routine check-ups.
- Treat you when you are sick or injured.
- Refer you to a specialist (if needed).
- Approve all non-emergency hospital stays.
- Be your contact if you need care after office hours (except emergencies).

Choose a PCP from the list of providers in this directory. These are the kinds of doctors who are PCPs:
- **Family or General Practice** (for all ages)
- **Internal Medicine** (for adults)
- **Pediatrician** (for children)
- **Obstetrics and Gynecology** (OB/GYN – for women). You may also choose a Certified Nurse Midwife (CNM) if you are having a baby.

You may select one PCP for your whole family or a different PCP for every family member with Healthy Preferred as their health plan. If you have a special health need, you may be able to choose a specialist as your PCP. A Case Manager will work with you to choose a specialist as your PCP. Our Case Managers are Registered Nurses. They will work with you and your doctor(s) to make sure you get the care you need.

**Remember:** Go to the emergency room if you have a serious medical problem that cannot wait more than 24 hours. Do not go to the emergency room, though, for routine medical care. If you think your medical problem might be an emergency, call 911 or go to any hospital emergency room.

For questions about your medical benefits, please call Member Services at 1-888-271-5870, option 6.

BIENVENIDOS A HEALTHY PREFERRED
Este directorio enumera a los proveedores en la red de Healthy Preferred. Usted tendrá el más bajo de los gastos de bolsillo cuando recibe servicios de estos proveedores.

Escogiendo a Su Doctor:
Un Médico de Atención Primaria (PCP) es un doctor al que usted ve en la mayoría de sus atenciones médicas. Los PCP de Healthy Preferred aparecen en la parte de atrás de este manual. No tiene que escoger a un PCP, pero creemos que debería. Un PCP realizará lo siguiente:
- Lo verá para chequeos de rutina.
- Lo atenderá cuando esté enfermo o lesionado.
- Lo referirá a un especialista (de ser necesario).
- Aprobará todas las hospitalizaciones que no sean de emergencia.
- Será su contacto si necesita que lo atiendan fuera del horario del consultorio (excepto las emergencias).
Escoja a un PCP de la lista de proveedores que aparece en este manual. Estas son las clases de doctores que son PCP:
- Práctica Familiar (para todas las edades)
- Medicina Interna (para adultos)
- Pediatría (para niños)
- Obstetricia y Ginecología (OB/GYN – para mujeres). También puede escoger una Enfermera Obstétrica Certificada (CNM) si va a tener un bebé.
Puede escoger a un PCP para toda su familia, o un PCP diferente para cada miembro de la familia que tiene Healthy Preferred como su plan de salud. Si tiene una necesidad especial de salud, puede escoger a un especialista como su PCP. Un Administrador de Caso trabajará con usted para escoger a un especialista como su PCP. Nuestros Administradores de Caso son Enfermeras Registradas. Ellas trabajarán con usted y su doctor(es) para asegurarse de que usted reciba la atención que necesita.

Recuerde: Vaya a la sala de emergencias si tiene un problema médico serio que no puede esperar más de 24 horas. No vaya a la sala de emergencia si se trata de una atención médica de rutina. Si usted piensa que su problema médico puede ser una emergencia, llame al 911 o vaya a la sala de emergencia de cualquier hospital.

Si tiene preguntas respecto de sus beneficios médicos, llame a los Servicios para Miembros al 1-888-271-5870, opción 6.
