National Provider Networks for University Health Plans

Employer groups have a choice in which National Provider Network they prefer. Please refer to the logo on the back of your card for the network your employer has chosen.

University Health Plans has joined forces with MultiPlan and FirstHealth to offer you access to over half a million health care providers, nationwide, and over 4,200 Acute-Care hospitals. This gives you nationwide coverage, coast to coast, from Juneau, Alaska to Juno, Florida.

When you want to obtain services from a health care provider who is not listed in the UUHP Provider Directory, all you have to do is call MultiPlan at (800) 464-0292, or FirstHealth at (800) 226-5116. Alternatively, you can visit the MultiPlan website at www.multiplan.com, or the FirstHealth website at www.firsthealth.com. Just click and search for a provider. It’s that easy!

For your convenience, their phone numbers can be found on the back of your University of Utah Health Plan Member ID Card.

Note:
Your out of pocket costs are lowest when you use our In-Network providers, or providers in Network with MultiPlan or FirstHealth. Always present your University Health Plans member ID card when seeing providers.

If you have any questions, please call the University Health Plans Customer Service at 801-587-6480 or 1-888-271-5870, option 6.
WELCOME TO HEALTHY PREMIER - GROUP

This directory lists the providers in the Healthy Premier - Group network. The Healthy Premier - Group network consists of UUHP providers and providers in a National Provider Network. You will have the lowest out-of-pocket cost when you receive services from these providers.

Choosing Your Doctor:
A Primary Care Physician (PCP) is a doctor you see for most of your medical care. Healthy Premier - Group PCPs are listed in the front of this handbook. You do not have to pick a PCP; but we think you should.
A PCP will:
- See you for routine check-ups.
- Treat you when you are sick or injured.
- Refer you to a specialist (if needed).
- Approve all non-emergency hospital stays.
- Be your contact if you need care after office hours (except emergencies).

Choose a PCP from the list of providers in this directory. These are the kinds of doctors who are PCPs:
- Family or General Practice (for all ages)
- Internal Medicine (for adults)
- Pediatrician (for children)
- Obstetrics and Gynecology (OB/GYN – for women). You may also choose a Certified Nurse Midwife (CNM) if you are having a baby.

You may select one PCP for your whole family or a different PCP for every family member with Healthy Premier - Group as their health plan. If you have a special health need, you may be able to choose a specialist as your PCP. A Case Manager will work with you to choose a specialist as your PCP. Our Case Managers are Registered Nurses. They will work with you and your doctor(s) to make sure you get the care you need.

Remember: Go to the emergency room if you have a serious medical problem that cannot wait more than 24 hours. Do not go to the emergency room, though, for routine medical care. If you think your medical problem might be an emergency, call 911 or go to any hospital emergency room.

Directories are subject to change. Members may be responsible for out-of-pocket expenses if a provider is non-participating. Members are encouraged to confirm that a provider is participating with their plan, prior to scheduling an appointment.

For questions about your medical benefits, please call Member Services at 1-888-271-5870, option 6.

BIENVENIDOS A HEALTHY PREMIER - GROUP

Este directorio enumera a los proveedores en la red de Healthy Premier - Group (proveedores de UUHP y una Red Nacional de Proveedores). Usted tendrá el más bajo de los gastos de bolsillo cuando recibe servicios de estos proveedores.

Escogiendo a Su Doctor:

Un Médico de Atención Primaria (PCP) es un doctor al que usted ve en la mayoría de sus atenciones médicas. Los PCP de Healthy Premier - Group aparecen en la parte de atrás de este manual. No tiene que escoger a un PCP, pero creemos que debería. Un PCP realizará lo siguiente:

- Lo verá para chequeos de rutina.
- Lo atenderá cuando esté enfermo o lesionado.
- Lo referirá a un especialista (de ser necesario).
- Aprobará todas las hospitalizaciones que no sean de emergencia.
- Será su contacto si necesita que lo atiendan fuera del horario del consultorio (excepto las emergencias).

Escoja a un PCP de la lista de proveedores que aparece en este manual. Estas son las clases de doctores que son PCP:

- **Práctica Familiar** (para todas las edades)
- **Medicina Interna** (para adultos)
- **Pediatría** (para niños)
- **Obstetricia y Ginecología** (OB/GYN – para mujeres). También puede escoger una Enfermera Obstétrica Certificada (CMN) si va a tener un bebé.

Puede escoger a un PCP para toda su familia, o un PCP diferente para cada miembro de la familia que tiene Healthy Premier - Group como su plan de salud. Si tiene una necesidad especial de salud, puede escoger a un especialista como su PCP. Un Administrador de Caso trabajará con usted para escoger a un especialista como su PCP. Nuestros Administradores de Caso son Enfermeras Registradas. Ellas trabajaran con usted y su doctor(es) para asegurarse de que usted reciba la atención que necesita.

Recuerde: Vaya a la sala de emergencias si tiene un problema médico serio que no puede esperar más de 24 horas. No vaya a la sala de emergencia si se trata de una atención médica de rutina. Si usted piensa que su problema médico puede ser una emergencia, llame al 911 o vaya a la sala de emergencia de cualquier hospital.

Si tiene preguntas respecto de sus beneficios médicos, llame a los Servicios para Miembros al 1-888-271-5870, opción 6.

The University of Utah Health Plans (UUHP) contracts with physicians and other health care professionals and facilities for all of our product lines, including commercial, marketplace, and Medicaid, to offer provider networks essential to the delivery of health care and services to our members. UUHP is committed to the “triple aim” of improving experience and quality of care, improving the health of populations, and reducing the per capita cost of care.

We recognize the importance of population health and payment reform and have developed extensive care management and value-based payment programs that improve health and align provider reimbursement with value and positive outcomes.

Provider applications to participate in any UUHP network are considered based on the following:

- **UUHP business needs which may include and are not limited to:**
  - Network adequacy requirements based on state and/or federal guidelines
  - Network adequacy requirements based on the current or expected population of a given geographic area (usually defined by county or zip code)
  - Network adequacy requirements based on provider type and/or specialty
  - Network composition based on scope of services required by payer such as employer, health plan, union/trust, government entity, etc.
  - Demographic needs including but not limited to languages spoken
  - Existing, non-compensated, referral patterns with current network providers and/or UUHP members

- **Quality, patient experience and cost data as available which may include and is not limited to:**
  - Comparisons of provider practice data to benchmark market averages related to compliance with industry-standard quality measures. Examples include: Hemoglobin A1c (HbA1c) testing in diabetic patients, breast cancer screening prevention rates, and child immunization rates.
  - Industry published and available patient surveys and reviews
  - Comparisons of provider practice cost data to benchmark market averages on a per-member-per-month basis for similar populations

- **The credentialing process which may include and is not limited to,** verifying appropriate licensure, education and training, board certification, DEA licensure, accreditation/certification status, review of sanctions and a review of an acceptable history of professional liability claims.

All providers must be approved through our credentialing process before they may participate in any network.

UUHP plans are designed based on specific criteria that we apply to select participating primary care physicians and specialists which include:

- Cardiology
- General Surgery
- Neurology
- Urology
- Orthopedics
- Obstetrics and Gynecology

Directories are subject to change. Members may be responsible for out-of-pocket expenses if a provider is non-participating.

Members are encouraged to confirm that a provider is participating with their plan, prior to scheduling an appointment.

If you have questions or need a translator, please contact our Customer Service Department at 801-587-6480.
Additional primary care physicians, specialists, and facilities are included if they meet our credentialing requirements to ensure members have access within a reasonable distance to the number and types of providers needed.
