

## Open Negotiation Notice

You are receiving this notice because, \_\_\_\_\_ a [group health plan, health insurance issuer, Federal employee health benefits (FEHB) carrier, health care provider, health care facility, or provider of air ambulance services] is disputing the out-of-network rate for \_\_\_\_\_ provided. More information regarding these items or services is provided below. The No Surprises Act provides a Federal independent dispute resolution (Federal IDR) process that group health plans, health insurance issuers of group and individual health insurance coverage, and FEHB carriers and out-of-network or nonparticipating health care providers, facilities, and providers of air ambulance services may utilize to determine the out-of-network rate for certain services following the end of an open negotiation period. The Federal IDR process is available only for certain services, such as out-of-network emergency services, certain services provided by out-of-network providers at an in-network facility, or out-of-network air ambulance services. The Federal IDR process is also only available if a state All-Payer Model Agreement or specified state law does not apply.

### What is an open negotiation period?

The open negotiation period is a period of up to 30 business days to determine an agreed-upon amount for the total out-of-network rate (including any cost sharing) for an item or service furnished by a nonparticipating provider, nonparticipating facility, or a nonparticipating provider of air ambulance services to a participant, beneficiary, or enrollee in a group health plan, group or individual health insurance policy, or FEHB carrier and for which a payment is required to be made by the plan or coverage.

### What happens at the end of the open negotiation period?

If the parties have not agreed upon a payment amount by the end of the open negotiation period, \_\_\_\_\_, either of us may initiate the Federal IDR process by \_\_\_\_\_, under which a certified IDR entity will select the payment amount for the item(s) and/or service(s) at issue.

Initiating the Federal IDR process does not prohibit the parties from agreeing on a payment amount after the open negotiation period has ended and before the certified IDR entity determines the payment amount.

For more information on the Federal IDR process and to obtain the notice to initiate the Federal IDR process, visit <https://www.nsa-idr.cms.gov>.
